## History of Avellino

### Chapter member, Angelo Verrone's Heritage

*The history of his heritage derives from Avellino, in the Campania region of Southern Italy*

*The city of Avellino, east of Naples, retains some remarkable structures and sights despite its unfortunate recent history. The city was heavily bombed in WWII, during which 1 in 8 citizens were tragically killed. It was rebuilt, only to be impacted by a destructive earthquake in 1980 that affected the entire central-eastern area of Campania and into next-door Basilicata. Despite these setbacks, Avellino and its population of 54,000 continues on as an industrial center and an interesting city.*

*Because of the circumstances in the last century, the city has few important historical monuments. Among those standing, the Cathedral, dedicated to the Madonna dell'Assunta, was built in the 12th century and rebuilt several times after, with a neoclassical facade redone in 1891, with frescoes and a wooden choir of the 16th century, inside. The church and its museum are definitely worth a visit.*

*Agriculture was at the heart of Avellino's economy until the mid-1970s, since then many younger people have moved away from family farms, and sometimes also migrated away from the area, in pursuit of higher wages. Nevertheless, tobacco, viticulture and especially the production of hazelnuts remain important to the local economy and, with increased investment in recent years, employ a number of people.*

*The 1980 Irpinia earthquake represented a turning point for the town and for the entire province of Avellino. Large amounts of money flowed in for infrastructure investment, and the extra money generated innovation and economic expansion.*

**About UNICO** ~ UNICO is the largest Italian American Service Organization in the United States  
Unity, Neighborliness, Integrity, Charity, Opportunity

UNICO was founded on October 10, 1922, in Waterbury, Connecticut. A group of 15 men, led by Dr. Anthony P. Vastola, came together to create what has become a very special and very proud organization. It was Dr. Vastola's dream to create an Italian American service organization to engage in charitable works, support higher education, and perform patriotic deeds. Our motto is "Service Above Self".

Each year, the UNICO Foundation and the UNICO National Chapters across the country donate approximately \$1 million to various charities. Scholarships continue to be the primary focus of UNICO, as roughly one-third of all monies raised goes to deserving students from all the chapter locations throughout the chain.

UNICO National has funded major research in Cooley's Anemia and Mental Health. Through its association with the Jimmy Valvano Foundation, it has funded over 10, \$50,000 grants to help find a cure for Cancer. These worthy areas continue to receive generous support from the chapters and its members for these worthy causes.

If you would like to attend one of our meetings to see if you might be interested in joining UNICO, please contact us through any member, or through our email. We would be honored to have you as a member of our Passaic Valley UNICO Chapter.
