A Message from our Chapter President

Hello All-

I wish to thank all individuals that attended the first meeting of our season. It was a great meeting, and many individuals were there early to break bread. It was very nice.

We had two new members join our chapter. That is great. A lot younger than our average age. Hopefully this will be a positive trend.

Our next meeting is scheduled for Wednesday, October 9th, at Casa Arturo's Restaurant in Little Falls.

Monday, Oct 7th, is our Italian Flag Rasing in Little Falls. We hope that you can make it to celebrate our heritage.

A few of our board members attended our NJ District IV meeting at the Barnyard. It was well attended and as always, chapters are doing a great job keeping the UNICO name active.

Just a reminder that at our October meeting, we will be having tickets for sale for the December District IV Christmas Party at the Brownstone. Last year we utilized this event as our chapter Christmas get together. We will do the same again this year.

Don't forget that dues are due for those who have still not yet paid them.

Will see you all in October.

*God Bless
Carmen Criscione - Chapter President*

Italian Heritage Photo
From the 2024 UNICO Heritage Calendar ~ October
Cobble Stone Street in Spello, Italy

This photo was taken by a Passaic Valley UNICO member when Bruce and Steve were there

Spello is a hidden gem in the heart of Umbria.

It is a region known for its green landscapes, medieval towns and artistic heritage.

Spello boasts a rich history that dates back to the Roman era.

There, you can admire the ancient walls, the majestic gates, the ruins of the amphitheater and a spa.

Our Italian Heritage in Ragusa, Sicily

*Our chapter President Carmen Criscione and also chapter member Pete Longo
Their family's history and heritage are from Ragusa*

Ragusa is a city and comune in southern Italy.

*It is the capital of the province of Ragusa, on the island of Sicily, with 73,288 inhabitants in 2016.
It is built on a wide limestone hill between two deep valleys, Cava San Leonardo and Cava Santa Domenica.
Together with seven other cities in the Val di Noto, it is part of a UNESCO World Heritage Site.*

*In 1693, Ragusa was devastated by a huge earthquake, which killed some 5,000 inhabitants.
After the catastrophe, the city was largely rebuilt, and many Baroque buildings from that time remain in the city.*

*In 1838, an asphalt deposit was discovered, which is still being worked.
Ragusa is now a dynamic and wealthy city and home to numerous companies.*

The history of a game called Bocce

Bocce, rooted in the Latin word “**bottica**,” a direct ancestor of the Italian term “**bo**cc**e**.”
 The correct Italian pronunciation is with an emphasis on the letter “o” ~ “b**O**cce”
 Not with the emphasis on the letter a ~ Not “b**A**cce”

Bocce, a game with ancient origins, was first documented in an Egyptian tomb painting around 5200 B.C.
 It spread throughout the Mediterranean and Europe, and became popular among soldiers, citizens, and emperors in ancient Rome.
 The game evolved over time, with different regions developing their own variations.
 Bocce made its way to America through Italian immigrants and to this day, remains a popular pastime.

Bocce balls are made up of two sets of different colors of 4 each color.
 Also, there is the pallino, the small white ball.

Each team has four bocce balls.

Teams take turns throwing the balls toward the jack (pallino).

The team with the ball closest to the jack at the end of the round wins.

Players alternate throws with the furthest team ball from the pallino throws again until they are the closest.

Play continues until one team has beaten the other by two or more points.

Bocce can be played on grass or sand.

The court is typically 60 feet long by 12 feet wide.

Typically, the game is played until a team reaches 12, 16, or 21 points.

Many UNICO chapters host Bocce Tournament Fundraisers.

**About UNICO** ~ UNICO is the largest Italian American Service Organization in the United States  
Unity, Neighborliness, Integrity, Charity, Opportunity

UNICO was founded on October 10, 1922, in Waterbury, Connecticut. A group of 15 men, led by Dr. Anthony P. Vastola, came together to create what has become a very special and very proud organization. It was Dr. Vastola's dream to create an Italian American service organization to engage in charitable works, support higher education, and perform patriotic deeds. Our motto is "Service Above Self".

Each year, the UNICO Foundation and the UNICO National Chapters across the country donate approximately \$1 million to various charities. Scholarships continue to be the primary focus of UNICO, as roughly one-third of all monies raised goes to deserving students from all the chapter locations throughout the chain.

UNICO National has funded major research in Cooley's Anemia and Mental Health. Through its association with the Jimmy Valvano Foundation, it has funded over 10, \$50,000 grants to help find a cure for Cancer. These worthy areas continue to receive generous support from the chapters and its members for these worthy causes.

If you would like to attend one of our meetings to see if you might be interested in joining UNICO, please contact us through any member, or through our email. We would be honored to have you as a member of our Passaic Valley UNICO Chapter.
