A Message from our Chapter President

Hello everyone,

I am excited on being your chapter president for the coming year and with all your help we can make this coming year a great success. Summer is finally here and we will be taking the next 2 month off from meetings, but we will be working on the budget for next year. Let's all have a great summer safe in our travels and a fun time.

The Scholarship dinner was a great night as we presented 14 Scholarships the most ever as well as 2 Brain Piccolo winners thanks to our new chairmen Mike Russo and his committee. The night went very smooth and think we all enjoyed it.

We had our annual golf outing with our new Chairmen Fred DeMarco and his committee. They worked hard to make this outing one of the most successful we ever had and all the figures are not yet in but think they will reach and surpass their goals. We had a record 110 golfers sign up to play but with the rain forecast we did lose a number of golfers to the weather. We started to play and got a few hours in before the rain started, and some said they had enough and went in, but lot of teams finished and got very wet. The Executive Board wants to thank all who helped make the day a success from players to our volunteers who helped. Thank you all!!

Please keep in mind we will be meeting in September and hope to get off running with some fund raisers early this year with possible new ones coming. Please remember to pay your dues as letters should have been sent to get dues paid.

Have a safe and enjoyable summer. Thank you all in advance for your help and God Bless UNICO and all of us.

Celebrating the month of July in Venice

A view of Venice

And the Grand Canal from the Rialto Bridge

The Grand Canal is the largest channel in Venice, Italy, forming one of the major water-traffic corridors in the city.

One end of the canal leads into the lagoon near the Santa Lucia Railway Station, and the other end leads into the basin at San Marco; in between, it makes a large reverse-S shape through the central districts of Venice. It is 2.4 miles long, and 98 to 295 ft) wide, with an average depth of 16 feet.

The banks of the Grand Canal are lined with more than 170 buildings, most of which date from the 13th to the 18th century, and demonstrate the welfare and art created by the Republic of Venice.

**About UNICO** ~ UNICO is the largest Italian American Service Organization in the United States  
Unity, Neighborliness, Integrity, Charity, Opportunity

UNICO was founded on October 10, 1922, in Waterbury, Connecticut. A group of 15 men, led by Dr. Anthony P. Vastola, came together to create what has become a very special and very proud organization. It was Dr. Vastola's dream to create an Italian American service organization to engage in charitable works, support higher education, and perform patriotic deeds. Our motto is "Service Above Self".

Each year, the UNICO Foundation and the UNICO National Chapters across the country donate approximately \$1 million to various charities. Scholarships continue to be the primary focus of UNICO, as roughly one-third of all monies raised goes to deserving students from all the chapter locations throughout the chain.

UNICO National has funded major research in Cooley's Anemia and Mental Health. Through its association with the Jimmy Valvano Foundation, it has funded over 10, \$50,000 grants to help find a cure for Cancer. These worthy areas continue to receive generous support from the chapters and its members for these worthy causes.

If you would like to attend one of our meetings to see if you might be interested in joining UNICO, please contact us through any member, or through our email. We would be honored to have you as a member of our Passaic Valley UNICO Chapter.
